BACKGROUND

My name is Kreangkrai Supchid.
I was born on January 3, 1992.

I finished my bachelor's degree in Applied Computer Science at King Mongkut's University of Technology Thonburi, Bangkok Thailand.

While I studied, I won the National Software Content 2014 and Foundation for Research in Information Technology 9 computer program.

Now I am working at OPN Co., Ltd. as Software Engineer Team Leader, and I use Thai and English to communicate with my team.

PERSONALITY

I'm passionate about self-improvement and improving my mind, my spirit.

In my freetime, I workout 3-5 times per week and I study English for 25 mins every day because I want to speak fluently.

My life changing after I read "Mindset: The New Psychology of Success"

Plan

I plan to study Taiwan in the Summer and Fall term.

After I finish this program, I will share my experience of how well I have learned from Taiwan through my personal blog and help other people who are interested in studying in Taiwan.
